

# How Can I Help?

We have many opportunities available.

**Donors and Volunteers** are needed in the following areas:

- **Child Care Relief** Help rock and feed babies, help child development staff with classroom and playground activities, take a child to their doctor appointments, read to the children play with the children or help prepare meals. (age 16 and up)
- **Special Events** Help is often needed at special events that are held by and for the benefit of Bryan's House. You could help with registration, logistics, mailing invitations or other tasks.
- **Sponsor a Field Trip** Throughout the year field trips are conducted to enhance the lives and the learning of our kids. Cover the cost of admission or accompany the children on field trips. Donate tickets to ball games, movies, or plays.
- **Special Talents** Do you have a special talent? Teach kids how to play a musical instrument, sing or dance, make balloon animals, act in plays...share your skills with our kids. (age 16 and up)
- **Donate an Item on our Wish List** Call for an up-to-date wish list. We usually need large and x-large diapers, pull-ups, new kids clothing, baby food, iron fortified formula and paper products, especially paper towels.
- **Other Stuff** especially for youth!- Fold and sticker red socks, paint a picnic table, clean the attic, answer phones-there is always something for you to do.
- **Give a Financial Contribution** we rely on you. 62% of our funding needs to come from private sources. Send in a check today or have a drive at your school or church for monetary or in-kind donations. Our United Way code is 6502. Bryan's House is funded in part with federal funds. Thanks for helping us give:

**Big CARE for Little Kids with AIDS and other serious medical issues**
